SAA Member Artist Agreement:

All applicants must be a current member of the SAA. Artist certifies that the artwork is in good condition at the time of installment and agrees to display work for the duration of the show. Most of the airport shows will be two month exhibitions. Savannah Art Association is not responsible for damage to the artwork and will conduct at least monthly inspections of works installed. Artist will be notified immediately upon discovery of a change in the condition of the work. Artwork is loaned by the artist at their own risk. Artist may be asked to repair or replace a damaged piece.

The Savannah Art Association (SAA) Board or its appointed members will be responsible for the jurying, hanging, and sales of all artwork (or sales generated directly from the airport venue). The airport reserves the right to deny inclusion of any artwork deemed inappropriate to their venue. SAA shall retain 15% of all sales prior to sales tax. Artist will receive a check from SAA for 85% of the purchase price, less sales tax and credit card charges, if applicable, within 1 week of closing the show. If an artist's work is purchased, piece must remain in the show until completion of that particular show. Full payment by cash, cashier's check, or credit card must be made at time of purchase to the SAA. All monies will be held by SAA until completion of the show. Artist will be informed immediately of any sale or purchaser questions relating to the artwork. It is the artist's responsibility to arrange for pick up, wrapping, shipping, or delivery of purchased work. All shipping and handling fees are to be paid by the purchaser.

All artists may submit up to 2 pieces of art. The piece listed first will be considered your first choice. The number of works accepted into the show will depend on each individual airport show

All artist applications must be received by SAA within 30 days of the upcoming show. The artist will pay an entry fee of \$10 per piece for the show. (Some shows may allow up to 3 pieces per artist.)

All 2D artwork must be wired for hanging. There will be space for 3D work. All guidelines in the SAA bylaws for presentation of work (i.e. framing, wrapped canvases, etc.) will be in effect.
